EXAMINER INTERVIEW SUMMARY

On January 7, 2005 and January 10, 2005, the undersigned generally discussed the status of the patent application with Examiner Briney. In particular, the undersigned noted that the Patent Office's PAIR system indicates that the Examiner had allowed the claims, although no Notice of Allowance has been received thus far by the Applicants. On January 7, 2005, the Examiner indicated he would investigate the matter. On January 10, 2005, the Examiner called the undersigned and indicated that the claims had indeed been allowed and that a Notice of Allowance is forthcoming. The Examiner further noted that the Notice of Allowance has been not yet been processed, and hence mailed, because of some delays in the Patent Office.

Should the Examiner have any questions, the Examiner is invited to call the undersigned attorney at the Houston, Texas telephone number (713) 934-4064.

Respectfully submitted,
